### DISCOVERY EXPERTS *Excellence Is Standard*

#### Expert Details

Brian H. Aanestad is an Expert in General Engineering Construction, Transportation and Warehousing, including underground construction, civil construction, trenchless construction, heavy truck, and heavy equipment.

Located in Temecula, CA, USA

Expert provides consultation, case analysis, and testimony on a national basis (USA).

#### Background

Expert has more than 40 years of experience with Heavy and Civil underground construction and transportation, directly overseeing placement of underground infrastructure including utilities, pipelines, and conduit, while providing turn-key solutions for both the underground industries and transport industries. Expert has extensive knowledge of the trenchless boring and drilling industry. Expert has extensive knowledge of the transportation industry including logistics, 3PL, Full Service Lease, rental, maintenance and warehouse & facilities management. Experts background includes ownership, operations and maintenance of both construction and transportation industry equipment. He has provided consulting services for major U.S. Communities, including the Freedmen's Town Brick Streets Project in Houston, TX, Vista Canyon Ranch Sewer Siphon Project in Leucadia, CA and SCRIPPS Seawater Return Lines for the University of California San Diego. He has provided logistics and maintenance for the likes of Target stores.

Expert has provided consultation and Expert Witness Testimony for such firms as:

- |                                      |                                  |
|--------------------------------------|----------------------------------|
| - Wood Smith Henning & Berman LLP    | - Taylor Anderson LLP            |
| - Rutan & Tucker LLP                 | - Bush & Ramirez PLLC            |
| - Dowling Aaron Inc.                 | - Bullivant Houser Bailey PC     |
| - Ciancio Ciancio Brown LLC          | - Schumann Rosenberg LLP         |
| - Franko Moroney LLC                 | - Southern California Edison Co. |
| - Moran Grant Genovese & Baratta LLP | - Vast Networks (CVIN)           |

## CURRICULUM VITAE

- Quinn Caterpillar (CA)
- Vermeer Corporation
- Salvation Army
- Gulf Ship Island R/R Co.

### Expert's Areas of Focus:

#### GENERAL ENGINEERING & CIVIL CONSTRUCTION

- Expert Witness
- Litigation Support
- Case Review
- Testimony
- Dispute Resolution
- Delay Cause and Analysis
- Cost Analysis and Accounting
- Labor Analysis
- Damage Dispute
- Civil Construction
- Trenchless Underground Utility Installation
- Underground Pipeline Installation
- Fiber Optic Conduit Networks and Telecommunications
- Gas, Electric, Water, and Sewer
- Storm Drains
- Seawater Return Pipelines
- Contaminated Soil Remediation Pipelines
- Hydro Auger Pipelines
- Structures and Sub-Structures
- Operations Management
- Handholes, Manholes, and Vaults
- Job and Jobsite Management
- Homeowner Association Management
- Construction Defects
- Estimating
- Plan Review
- Specification Review
- Document Request & Review
- Safety Review
- Traffic Control, traffic planning
- Forensic Reviews & Take-offs
- Site Inspection and Analysis
- Equipment Inspection and Analysis
- Cost Analysis and Damage Calculations
- Standard of Care
- Standard of Protocol
- Feasibility Studies
- Utility Easement, Encroachment and Right of Way
- Equipment Use and Specifications
- Rehab and Pipe Bursting
- Both Large-Scale and Small-Scale Public Works Projects and Private Projects

## CURRICULUM VITAE

### TRANSPORTATION

- Dedicated Contract Maintenance
- Fleet Selections
- Transport and Transportation Logistics
- Rental & Leasing
- Fuel Tracking
- Vehicle Design and Specification
- Procurement
- Warehouse Services
- Transport Cubing
- Roadside Services
- Parts and Tire Department
- New and Used Sales
- Warehouse and Yard Equipment
- Specialized Fleets i.e. Refuse Trucks, Emergency Equipment Vehicles, Tanker Trucks, Vacuum Trucks, Oversized and Heavy-Hauling , Dump Vehicles, Cement trucks

### Work History

Discovery Experts, LLC.

*Managing Director and Senior Consultant /*

*Expert Witness*

Transportation Commodities Inc.

*VP Transportation*

Inland Valley Engineering

*President / Expert*

Government Experience

*Senior Consultant/ Expert Witness (OSHA)*

Utility Boring Inc.

*President*

Government Experience

*General Engineering Contractor*

### Associations/Societies:

Southern California Builders Association

### Licenses/Certifications

- Class A General Engineering Contractors License, CA (850477)
- Cal-OSHA 30-Hour Safety Certified
- Cal-OSHA 24-hour Hazwoper Certified
- Total Quality Management Systems (TQMS)

### Awards/Recognition

- Honor Award: American Public Works Association
- Outstanding Award, American Society of Civil Engineers
- Publications and Patents Summary
- Underground Construction Magazine Article: Published regarding Pit-Launched Directional Drills and Seawater Return Lines
